Bluetooth USB Adapter

**USB adapter
Adaptateur USB**

00049227

Overview

1. Package contents
2. Software installation
3. Contact and support information
4. Safety instructions

1. Package contents:

- Bluetooth USB stick (DC -5V, 100mA)
- Installation/driver CD
- Installation instructions
- Notes concerning environmental care

2. Software installation

Insert the enclosed installation CD in the CD-Rom drive of your PC.

The installation routine starts automatically now. Open the CD-Rom drive via My Computer if the installation menu does not start automatically.

Select the appropriate installation language and continue by clicking the appropriate language.

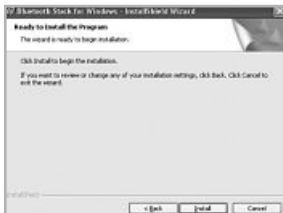

Click **Install** to continue with the installation. To open the operating instructions. Click **Download** driver to download the latest driver from the Hama website. This allows you to check whether drivers have now been developed for previously unsupported systems. Click **Back** to return to language selection.

Start the installation process by clicking **Next**.

Accept the Terms in the License Agreement and continue by clicking **Next**.

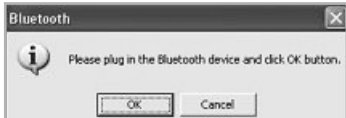

Click **Install** to begin with the installation.

The Bluetooth driver is installed now.

The files required for the installation are copied now.

Put the Bluetooth USB adapter in a free USB slot of your PC as soon as this message appears. Continue by clicking **OK**.

Click **I accept** and continue with **OK**.

Finish the installation program by clicking **Finish**.

The PC has to be started anew so that the Bluetooth software which has just been installed reaches its full functionality. If you want to restart your PC now, you have to click **Yes**. If you want to restart your PC later in a manual way, you have to click **No**.
